

FLL Runways Temporarily Closed for Routine Maintenance and Airfield Work

Closures: January 26, 2023 to January 31, 2023

BROWARD COUNTY, FL - Broward County's Fort Lauderdale-Hollywood International Airport (FLL) is scheduling routine maintenance of the North and South Runways that will require overnight closures. The temporary closure is necessary to conduct ancillary work and “rubber removal” to the runways.

- The North Runway (10L/28R) will close Thursday, January 26 - Saturday, January 28, from 12:01 A.M. to 5:30 A.M. daily. During this period, all arriving and departing flights will use the South Runway.
- The South Runway (10R/28L) will close Sunday, January 29 – Tuesday, January 31, from 11:00 P.M. to 5:30 A.M. daily. During this period, all arriving and departing flights will use the North Runway.
